

## BORZOI CLUB YEARBOOK 2017 AGAIN IN COLOUR

Get your photos ready now while the sun is shining !!!

To get the best from your insert please follow these guidelines:

- Inserts can be submitted in writing with photos, digitally via email or in any combination.
- If submitting digitally please use a high resolution for your photographs.
- Fully formatted adverts can be sent as MS Word or PDF files and will be printed as sent subject to the following: please remember that the yearbook is A5 size and space must be left on all four sides to allow for margins and page numbers etc. Please name the file with your affix or surname and the number of pages - e.g. myaffix2pages.doc or myname1page.pdf.
- Please ensure that all copy is very clear - if handwritten please use **BLOCK CAPITALS** and spell all dogs names carefully. Please remember that this is A5 size so if it looks good on A4 it might well look cramped on A5. Photographs will be resized to give as large an image as possible allowing for the text required.
- We can help with formatting but an idea of what you want would be useful !!!
- 2016 show results should not be included - it is the 2017 year book after all !!!
- Proofs will be sent for insert pages submitted by email. For all others the proof will only be sent if you advise an email address to be used or enclose a stamped addressed envelope.
- Pages in the insert section will be numbered separately from the main part of the book allowing for an index page. Inserts will therefore **NOT** be in alphabetical order and every effort will be made to ensure that where multiple pages are booked they are printed on facing pages.
