

THE BORZOI CLUB ANNUAL CUPS AND TROPHIES

The annual points trophies are open to ALL members but have to be claimed for.

Many of these trophies are beautiful and they are part of the club's history. Each year there are several unclaimed trophies. Even if you do not want to take the trophy why not submit a claim? The owners name, exhibits name and points accrued will be published in the year book and will be a permanent record of your achievement.

The cups may be held by the winner for twelve months on payment of a small non returnable deposit (a few trophies cannot be issued to members due to insurance restrictions, in these cases a Club Shield is issued).

It is the member's responsibility to keep a record of points won and to submit a claim for the trophy as soon as possible after 31st Dec. Claim form overleaf.

<p>CHAMPIONSHIP SHOWS: the following cups and trophies are offered to members on a points basis at championship shows. Points may be won at all Championship shows where the breed is scheduled with CCs on offer. The cups go to the winners of the highest number of points at shows between 1st January and 31st December annually. The points are accrued throughout the year on the following basis: 1st place = 3 points, 2nd place = 2 points, 3rd place = 1 point. CC = 2 points, RCC = 1 point and Best of Breed = 3 points.</p>
